The first school day of each month your child's tuition is due. You may place a check in the locked box on the wall by the preschool office or use our auto debit service. You may begin auto withdrawal for payment at any time throughout the year. The form is by the preschool office.

## Parent Pals

Parent Pals is our parent support group for the school. The purpose of this group is to assist teachers, plan events, provide experiences for parents to interact with the school, and raise funds to support activities.

The Parent Pals team has established a support fund to provide money to use on behalf of the school parents for staff appreciation and school events. Your donation of \$25 per child, or any amount you would like to give, will greatly help towards many of the activities throughout the year. Contact Parent Pals leaders Angela DeCoursey [ardecoursey@everestkc.net](mailto:ardecoursey@everestkc.net) or Paula Wharff [pwharff@kc.rr.com](mailto:pwharff@kc.rr.com) for information.

## Letter from your child

Dear Mom and Dad,

This was my first week at my new "job". I have a new teacher, a new room, new rules, my own mailbox and coat hook, and many new friends. I also go to school almost every day!

With all of these new beginnings, I am making many big adjustments and I have many things to remember. When I get tired, irritable, or easily upset, remember all of the adjustments you had to make when you started a new job and all of the fears you had and it will help you understand how I feel.

You can help me by listening and understanding, by giving me your support, by helping me to get lots of rest, and by giving me lots of love and attention.

Thank you very much!
