ALL HANDS ON DECK
JUNE 2020

This Month: Communities live together

This month, we focus on how we are called to live together in loving community. We start the month learning about the Golden Rule. The Golden Rule sums up many of Jesus' teachings about how we are to treat one another. Then we learn about a two parables— stories Jesus told to teach a lesson. The first is about two builders—one builds his house on a firm foundation and one builds his house on

shifty sand. The second is The Good Samaritan. The people who lived in Samaria worshipped God but did not follow all of the Jewish religious laws. Jews and Samaritans didn't like each other and did not speak to each other, but when a Jew was hurt traveling, a Samaritan is the only one who helps. Finally, we learn that faith, hope, and love are very important, but love is the greatest act we can do.
