

TAKE ACTION TODAY: Tell Your Local, State, and National Leaders to Welcome Refugees

Background: Right now it is more important than ever for all of our elected officials to hear that their communities welcome refugees. Refugee resettlement saves lives, encourages other countries to keep their doors open to people needing protection, and promotes regional stability and global security. We cannot turn our backs on the refugees we have pledged to welcome. Nor can we discriminate against individuals based on where they're from or what religion they practice. Refugee resettlement must continue to be a cornerstone of U.S. global leadership.

More than 65 million people have been persecuted and forced from their homes and are seeking safety. As a nation, we must uphold our values of generosity, hospitality and compassion. Our actions must match gravity of this displacement crisis and live up to our welcoming legacy. Please spread the word and have everyone you know share this alert!
