You have 2 options to pay for your order,

1. Presto Pay: Deducts your order amount directly from your checking account.

There is just a .15¢ fee per order for this option.

With PrestoPay, ordering is so convenient! You can order and pay for the cards on your ShopWithScrip account at any time, day or night. But what you'll really love about using PrestoPay is your Reloads process is faster, and you'll receive your ScripNow® eCards and ReloadNow® funds in a matter of minutes!

On top of that, PrestoPay is completely secure.

To set up for the Presto Pay Option

1. Click on the PrestoPay link on your Dashboard (bottom right side).

2. Enter your bank account and account holder information.

3. Within 2-3 business days, two small amounts will be deposited in your bank account. The next time you logon to ShopWith Scrip, enter these amounts in your PrestoPay registration to verify the account, and choose a PIN number to use for online payment. *(Note: This is 2-3 business days!)*

4. You will receive an email with an approval code to send to your St. Paul's coordinator, Cheryl Scott (cheryl@stpaulslenexa.org). The coordinator will finish the set up so you can begin ordering. *(This approval code process only occurs the first time you setup your PrestoPay ID).* You can only use PrestoPay if the approval process has been completed.

2. Create your order and bring a check to the church.

The check should be left in the drop box (to the left of the office door). Mark Missions Marketplace in the memo line.

Can your regular purchasing help others?

YES: By using Missions Marketplace, you are patronizing merchants that give back to a charity.

(Specifically St. Paul's Missions)

Order their Gift cards, eCards, or Reload for places you normally shop, and those merchants in turn give a percentage back.

It's a win/win!

Use Missions Marketplace & a percentage will be given to St. Paul's Missions.

*"3 of the 4
of my gift certificates
came electronically. I put one
code in the Shutterfly website,
I printed my Panera one, and
then I electronically sent a
Chipotle one to my son at
K-State who was thrilled.
And I need to pick one up at
church. I also love that you
can purchase something and get
it right away"* - Cindy N.

*"Online ordering was great,
and in some cases, we can
order online and get certificates
immediately to print out, or a
confirmation code to give the
retailer either in person or
online. I'm rejoicing about that!
We can decide to go somewhere
tonight and get Scrip for it
immediately!"*
- Lois H.
