UNRESTRICTED SPECIFIC AMOUNT GIFT

I give to St. Paul's United Methodist Church of Lenexa, Kansas the sum of \$_____ for its unrestricted use.

UNRESTRICTED PERCENTAGE GIFT

I give to St. Paul's United Methodist Church of Lenexa, Kansas, % of my gross estate (or % of my gross estate less my funeral and administrative expenses).

You will need to decide how the gift is to be calculated. Is it based on the gross estate, without any deductions, or after certain expenses have been deducted.

GIFT FOR A SPECIFIC PURPOSE

I give to St. Paul's United Methodist Church of Lenexa, Kansas the sum of \$_____ (or % of my gross estate) to be used for _____ (specify purposes).

In making a gift for a specific purpose, you need to make sure the purpose is generally shared by the church, and would reasonably be considered as necessary in the future for the church. The less restrictive a gift is to the church, the church can use the gift for its greatest needs at that time or in the future. You also might want to consider adding language to allow the church to change the purpose of the gift if necessary. This language could be added: In the event that the Charge Conference of St. Paul's United Methodist Church determines that the specified purpose of my gift is no longer practical or necessary for St. Paul's United

Methodist Church, then the Charge Conference may designate a new use for the gift or any remaining portion of the gift at that time.
